## How to download a file(s) from County Hall

To download a finance or HR file, the user will receive an email notifying them that a file requires downloading. Once an email is received log in to AnyComms Plus and then click the 'download' button.

This will bring up the Downloads area and will default to New Files

## Downloads

There are no files available for you to download.

There are options to either download all files or to download single files.

Click on Download All to download all available files

## To download a single file

Click the 'download' button next to the required file

Click on Click here to confirm.....

# AnyComms User Guide

File Name	Description
End of Year.xlsx	Test

[Click here to confirm you wish to download this file](#)

This will generate a file and add it to your Downloads folder

## To download multiple files

Tick the boxes next to the files you wish to download.

File Name	File Type	From	Date/Time Uploaded ▼	Download
